### Moon Phase Calendar

| Sunday  | Monday  | Tuesday   | Wednesday   | Thursday  | Friday  | Saturday  |
|---|---|---|---|---|---|---|
|    |    |    |    |    |    |    |
|    |    |    |    |    |    |    |
|    |    |    |    |    |    |    |
|   |   |   |   |   |   |   |
|  |  |  |  |  |  |  |

Hypothesis: Why you think you see the different phases of the moon.

---

---

|   |           |
|---|-----------|
| Time  | Direction |
|  |           |
| Elevation   | Date      |

Every day record the moon. Shade the area of the moon you do not see. Record the other information in the correct area.
